

EVERYTHING IS MUCH CLOSER WITH A BRADMILL ADDRESS

It's less than 10 minutes from your doorstep to all things Yarraville and the Inner West. For the times when you do feel like venturing further afield, you'll revel in the benefits of an inner-city address that connects to popular destinations in minutes. If it's not the hundreds of bars and dining establishments, it could be the cultural festivals, markets, or beach and riverfront promenades that elevate your love of local life. The city isn't much further. Take the train from Yarraville station and you'll be in the heart of it in less than 15 minutes. Freeway access is under 1km from Bradmill and will take you to the airport, surrounding suburbs and Melbourne's flourishing coastal and regional areas.
