

Be well connected

At The Grove you're not only by the river but close to everything else as well. Commuters have easy access to train stations and the Princes Highway. Growing children will never have to go far to get a great education. There are a choice of shopping centres, restaurants and cafes for today's modern families, which all go to make The Grove ideal in every way.

 **The Grove.**
By the river.

This plan is an illustration for decorative purposes only. It is not to scale and should not be used as a guide. Distances assume a straight line from the centre point of The Grove development and are indicative only.
