Elevations	(not less than 1:100) with all wall finishes and external features, all windows, doors and sun shading structures and ridge heights above ground. Front elevation must show location of colour selections.	
Fence details	Extent of fence to be shown on plan and elevation at 1:100 scale min with details o material proposed.	of

## **BUILDING MATERIALS AND COLOURS**

Streetscape       • Painted rendered masonry used on all elevations.         • Combination of painted rendered masonry and lightweight cladding to facade.         • Dwellings on corner lots address both frontages.         External walls       Predominant building colours should be light, natural, earthy and synonymous with the riverside landscape. Paint and render colour should suit your brick and roof materials and be in line with the Frasers Landing palette below. Your front elevation must consist of two colours - a main colour and a feature colour. If you wish to use colours not listed below, please attach a sample (100mm x 100mm x 100mm minimum size).         Please select two colours (first choice):       • Bristol Char Brown         • Taubmans Green Tea       •         • Dulux Linseed       • Dulux Rattlesnake         • Dulux Rattlesnake       •         • Dulux Rattlesnake       •         • Dulux Rattlesnake       •         • Dulux Rattlesnake       •         • Dulux Namadji       •         • Dulux Step rely       •         • Dulux Cargo River       •         • Dulux Quester Linen       •         • Dulux White       •         • Dulux Withyper White       •         Please select two alternative colours from the palette above (2nd choice)         Equivalent colours (if not in palette), please specify (attach a sample)         Downpipe colour, (same as wall col
Devellings on corner lots address both frontages.      External walls     Predominant building colours should be light, natural, earthy and synonymous with the riverside landscape. Paint and render colour should suit your brick and roof materials and be in line with the Frases Landing palette below. Your front elevation must consist of two colours     a main colour and a feature colour. If you wish to use colours not listed below, please     attach a sample (100mm x 100mm minimum size).
