

The Waterfront, Shell Cove

Community Information and Feedback Sessions

Artist Impression

An application to modify the Concept Plan for The Waterfront Precinct at Shell Cove was lodged with the NSW Department of Planning and Environment in August 2017. The application was publicly exhibited between 15 September 2017 and 20 October 2017. Since that time we have been reviewing submissions and are preparing to submit our response to the NSW Department of Planning and Environment. This will include additional material to provide greater clarity on issues such as view impacts.

Fraser's Property Australia and Shellharbour City Council will be holding Community Information and Feedback Sessions to update the community on the next steps of the project. These sessions would be an opportunity for you to review additional material prepared in response to submissions and discuss the submission with key members of the project team.

Additional information on the response submission will also be available on our website from 8 February 2018 – www.thewaterfrontshellcove.com.au
